FROM Chief of Base, Frankfurt
SUBJECT FORDWOOD/AEMARSH
Latvian visitor to Germany

6 August 1958

ACTION REQUESTED None; for your information

suspect RIS

Transmitted under separate cover is a debriefing of (Mrs) Helma ~~KLAPINS~~, in German as well as an English translation of same. The "debriefing" was obtained by AEMARSH 1 from Rosma GRIN, who conducted the interview ostensibly on behalf of the Voice of America. Only the general political and economic information was passed on to Voice of America.

2. The attached has already been processed by FCB/Reports for positive intelligence and is sent to you for whatever Operational intelligence interest it may have.

3. Note that the Ieva ~~WIRGERS~~ mentioned as being arrested and subsequently released, appears to be the same individual who was involved in the Janis ~~PLANIS~~ and Ilmar ~~WUENERS~~ affair in Latvia in 1953-1954.

4. We made no attempt to examine the recruitability of Subject since, based on a superficial examination of her actions in Germany, she left the impression that she wanted to be recruited, making us suspect she may be RIS. Moreover, due to her relatively short visit, it was not felt that Headquarters' approval could be secured in time to permit us to take any positive action.
